GREEN FEED BOOSTA

Green Feed Boosta with probiotic is a loose, dry cattle lick ideal for:

- **Weaners**
- **Growth**
- **Weight gain**
- **Milk production**
- **Finishing cattle**
- **Herd health**

Use when cattle are grazing high quality, lush green pasture on fertile soil.

Order in 1 tonne bulka or 25kg bags.

The formulation includes Rumensin for feed efficiency, plentiful minerals to support the increased demands for high growth rates, and a toxin binder to help prevent the detrimental effects of weed toxins or moulds in the pasture.

Green Feed Boosta contains ingredients to prevent scouring due to excessive protein in the diet, and to help cattle adapt quickly to lush green feed, such as when going onto a crop or a paddock of fresh green grass.

Analysis	
Protein	27%
Phosphorous	1%
Calcium	3%
Crude Fibre (max)	1%
Salt	10%
Copper	100mg/kg
Cobalt	4mg/kg
Zinc	360mg/kg
Selenium	1mg/kg
Manganese	320mg/kg
Bacillus Probiotic	$8x10^7$ CFU/gram
Monensin	500mg/kg

Feed at a rate of approximately 200 grams per head per day. Seek advice if you're unsure.
Feed in conjunction with pasture or hay, and ensure cattle have access to clean, fresh drinking water at all times.
